

## eBook Conversion

Welcome to ebook conversion service, our official company name is **Global Content Solution** (GCS). We are one of the best professional services for all types of conversions like **epub/mobi/ipad etc.** Our company is one of the best well known companies in conversion services and many conversion projects has been taken up and accomplished successfully by us. So we have sound experience in this service. Client Satisfaction and their requirement fulfillment is main motto of GCS.

We have skillful experts who have thorough knowledge in the conversion service and can manage all kinds of conversion from PDF, HTML, DOC/RTF to your required formats which could be supported by Mobipocket, Sony Reader, Noble Nook, Kobo eReader, Iphone, Adobe Digital Edition, Lexcycle Stanza etc.... It is difficult task to convert e-book containing lot of Images, Styles, Chart, Pictures, Tables to epub. We have all kind of advanced tools and resources to accomplish this task efficiently and provide high quality output in timely manner.

### ePub Conversion

**Input format:** Pdf, Word, Indesign, Hard copy, Scanned Copy

**Published as:** IDPF/.ePub

Epub(Electronic Publication) is the open ebook digital format which was defined by the International Digital Publishing Forum (IDPF). It is composed of three standards - **Open Publication Structure (OPS)**, **Open Packaging Format (OPF)** and **Open Container Format (OCF)**.

Our Epub conversion .epub format is globally accepted format and it can be read in all the electronic ebook devices. There's no limitation regarding the input types and we take all formats to ePub, by utilizing our professionals comfortably.

Publishers and distributors all over the globe have adopted this service simple because it works according to IDPF (International Digital Publishing Forum) standards with the extension .epub. Open Publication Structure (OPS), Open Container Format (OCF), and Open Packaging Format (OPF) are three open standards that are composed to create “.epub”. It was actually designed to optimize any particle display device for text display.

With **ePUB conversion** more people will be able to get access to the book and authors are bound to get a wider readership for their books. The authors will have their books gaining more readerships with ease and the readers will be saved the trouble of going out of their way to look for the books.
